Lam Hua's wife had been ailing for some time. I heard of this sometime ago. On several occasions I tried calling Lam Hua's house but there was no response. Now I understand why. According to Lye, he has been staying with one of his sons.

Let's rally round Lam Hua and give the moral support that he needs.

Call him or **email** him: **lamhua369@gmail.com**

In sorrow,
RAMA
