Dear Aunty Sau San,

Hi there!. How have you been?

Forwarding to you the email below, to include in the Kirkby website.

I'm so late this year. Been kept really, really busy all this time. It has been a totally long day too today.

Thanks again for keeping my memorial of Dad in there.

Ever having a reunion in Seremban, do let me know. May you have many, many more reunions ahead!

Thank you again and do take care.

Lena

Greetings Everyone once again!

Attachments are photos of my Parents who were teachers for over 30 years. Started in KL and moved over to Nilai and Seremban. Taking this day again to remember in writing, my own Teachers in my life, though they are in my thoughts daily and always will.

Got selected for a job in an MNC partly due to the fact that my Parents were teachers at that time. I was told this by the Director. "The child would be a good person."

Parents Facebook is up to date including 2019 Anniversary. You can view this Page anytime at

<https://www.facebook.com/YokeKimLily/>

I shall be filling in whatever available the details of the photos later in the Page itself, You're welcomed to let me know if you happen to have any information relating to any of the photos.

Previous years' postings and photos are there too.

Best regards,
Lena
